

As an innovative and internationally operating German family-owned company in the field of surface coating, plastic injection moulding, metal processing and mechanical engineering, the GOTEC Group is a strategic partner of the worldwide automotive industry. On our expansion path we are always sourcing suitable and committed talents and experts. For our Group's Service Center we are currently searching for a highly motivated and self-driven:

Jr.-Finance-Controller (m/f/o)

Location: Błonie, PL

Your profile:

We assume that you think and act independently and entrepreneurially, that you can organize yourself well and that you are a motivated, pragmatic team player with a "hands-on" mentality and a "can-do" attitude who is very familiar with the current Microsoft 365 products. In addition, we specifically expect this from you:

- Degree in business administration or economics with a focus on accounting and finance desirable
- First professional experience in financial accounting or controlling desirable
- High affinity for numbers and analytical skills
- Very good Excel skills
- Native Polish, good written & spoken English, German language skills desirable

Your tasks:

If the above profile matches your skills and you can imagine proving yourself every day in the exciting environment of the automotive industry, the following challenges await you at GOTEC after intensive training:

- Participation in the monthly reporting of the group, the analysis of the cost structure and in case of deviations
- Support of budget planning, preparation of forecasts and variance analyses of the sites/group
- Optimization of internal systems
- Supporting the management in controlling the locations/group
- Development of recommendations for action and monitoring of implementation
- Support with other operational tasks in the areas of accounting and controlling
- Participation in the preparation of monthly and annual financial statements

We offer:

At GOTEC, you can expect varied and challenging activities in a dynamic team with flat hierarchies, as well as excellent professional development and promotion opportunities. Of course, we provide you with a modern workplace including technical equipment at the latest level and also offer you an attractive salary package.
